EXAMPLE.

2023 LEADERSHIP ACADEMY

“Leadership is the creation of an environment in which others are able to self-actualize in the process of completing the job”

The Characteristics of a Good Leader:

Self-Awareness: You know your strengths and your weakness. You know when you’re working in flow and you know when you’re over worked. You know yourself, including your capabilities and your limitations, which allow you to push yourself to your maximum.

Self-Direction: You’re able to direct yourself effectively and powerfully. You know how to get things done. How to organize tasks and how to avoid procrastination.

Vision: You’re working towards a goal that’s greater than yourself. Working towards a vision is far more inspiring than working toward personal gain.

Ability to Motivate: Leaders don’t lead by telling people what they *have* to. Instead, leaders cause people to *want* to help them. A key part of this cultivating your own desire to help others. When others sense that you want to help them, they in turn want to help you.

Social Awareness: Understanding social network and key influencers in that social network is another key part of leadership. Who in the organization has the most clout, both officially and unofficially? Who moves the hearts of the group?

The Leadership Academy is a training and development program designed to educate and inspire future leaders for the Fayette County Board of REALTORS®. Candidates who may best serve as a local leader are nominated by their broker and selected based on their track record of volunteer performance for their local association and/or civic organizations, their leadership potential and personal integrity. Fayette REALTORS® invites you to complete and submit this application for your chance to grow the leadership possibilities within you.
