

# Fayette County OPEN HOUSE SCHEDULE

Broker representatives from Peachtree City and Fayetteville met recently to revise the Open House Schedule in an effort to help Realtors<sup>®</sup> see more homes each week. The following guidelines have been “*informally*” adopted to ensure that a maximum number of houses can be seen each week from **11:00 a.m. to 2:00 p.m.**

Each company will be responsible for putting their own open houses on the MLS system. We recommend that agents put information on the MLS Tour by Tuesday noon preceding the Wednesday tour. Your cooperation is appreciated and helps to ensure a smooth and efficient system for everyone. We hope these guidelines will enable everyone to preview more homes. Revised schedule becomes effective **July 1, 2008**.
