## 2019 NEW MEMBER ORIENTATION SCHEDULE

Successful completion of New Member Orientation is a requirement for membership in the Fayette County Board of REALTORS®. Article V, Section 4, of the Fayette County Board of REALTORS® Bylaws prescribe that attendance at New Member Orientation must be completed within six (6) months of applying for Board membership. **Failure to do so will result in denial of the membership application.**

The New Member Orientation requirement can be fulfilled by completing both the 2.5 hour Board Orientation program **AND** a 3-hour Code of Ethics class. **BOTH MUST BE COMPLETED** within the prescribed six (6) month timeframe in order to successfully complete this requirement.

Members can sign up for either a classroom or online Code of Ethics class. More information on both can be found on our website at [www.FayetteRealtors.com](http://www.FayetteRealtors.com). All but one of the Code of Ethics classes offer three (3) hours of continuing education credit. NAR offers a FREE Code of Ethics class, which carries NO CE credit. All of these classes satisfy the New Member Orientation requirement.

Please note that all students must be **ON TIME and PRESENT for the entire session (both Board Orientation and the classroom Code of Ethics)**. We suggest students arrive not later than 15 minutes before the program begins in order to check in and obtain a seat.

If you have questions, please contact the Board office at 770.461.2401. Thank you.
